

FESTIVE DIY KIT

BAKERS'

CHOICE

OPTION ONE: CHRISTMAS CABIN

**BUILD IT
YOUR WAY**

Follow this build guide
or use your imagination
to build it your way!

WHAT'S INCLUDED

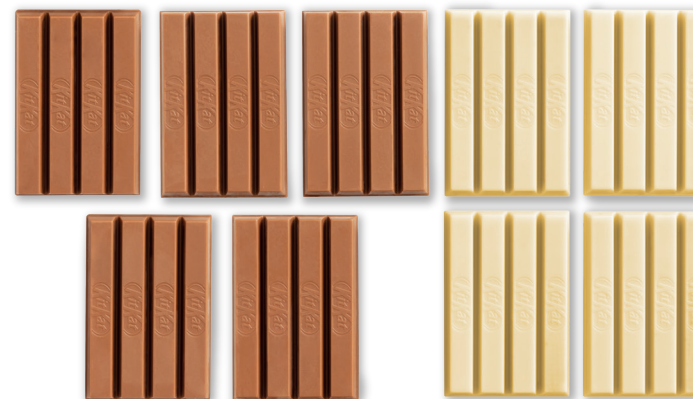

WHAT YOU WILL NEED

- 1 x Teaspoon
- 1 x Microwave
- 1 x Microwave safe bowl
- Baking paper
- A plate or board to display your creation
- Friends or family!

1

Unwrap and organise.

Unwrap the KITKAT bars and separate into two groups: Milk Chocolate and White Choc.

2

Time to melt!

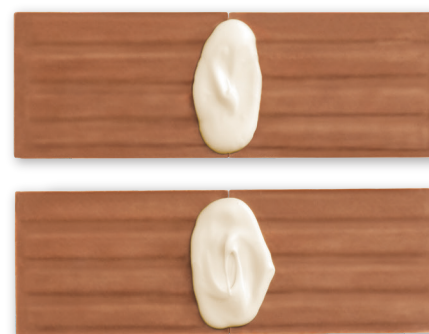

Use the instructions on the NESTLÉ BAKERS' CHOICE White Choc Melts to prepare the melted choc.

3

Build the walls.

Lay 4x KITKAT Milk Chocolate bars in pairs, joining them in the middle using the melted choc and the back of a teaspoon. Allow 1 minute to set.

4

Connect the walls.

Take the remaining KITKAT Milk Chocolate bar and spread melted White Choc on the left and right side. Allow to dry for 2 minutes.

PRO TIP!
Use two coffee mugs
to stabilise your
walls while you build

5

Build the roof.

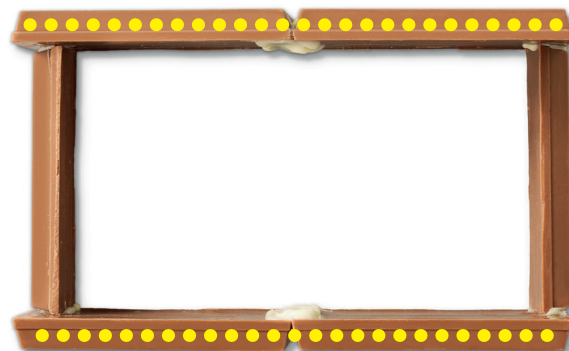

To build your roof panels, take the 4x KITKAT MILKYBAR bars & join them in pairs. Allow to dry for 1 minute.

6

Spread the chocolate!

Use a teaspoon or piping bag to spread the melted chocolate along the top of the long walls, as shown by the yellow dotted line.

**PRO TIP!**

Use a zip lock bag as a piping bag, by filling it with the melted white choc and snipping a small hole in the bottom corner, to squeeze out the chocolate!

7

Attach the roof.

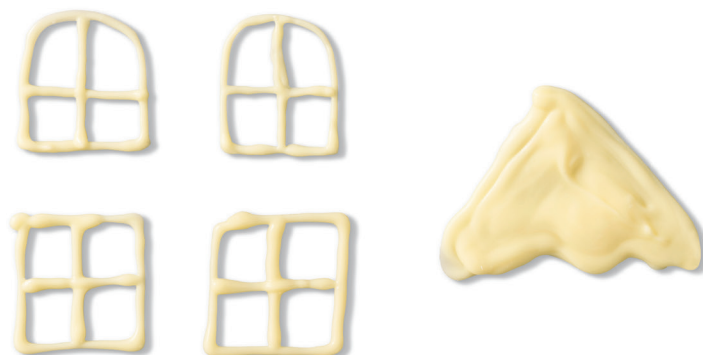

Attach your roof panels, and hold in place until the chocolate sets. Now's the perfect time to have a break!

8

Time to decorate!

Reheat the White Choc, grab some baking paper and prepare to craft your doors, windows and roof decorations! Refer to the **Shapes Guide** below for help.

9

Attach the doors, windows and snow.

Use the melted White Choc to apply, hold in place and wait for the choc to set!

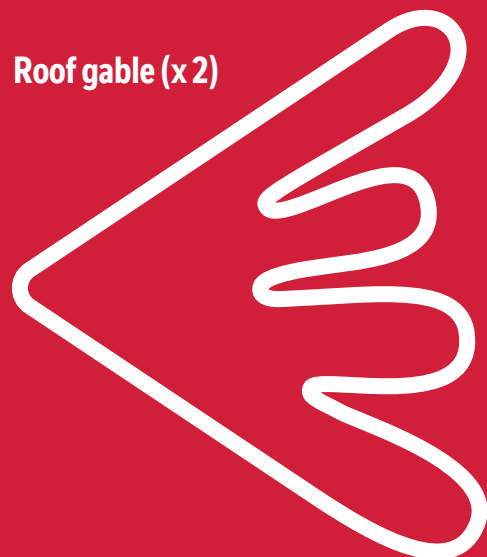

10

Add more magic!

Decorate with SMARTIES and ALLEN'S Spearmint Leaves!

**SHAPES GUIDE**

Roof gable (x 2)

Window (x 2)

Arched Window (x 2)

11

Stand back and admire your masterpiece!

Follow the directions on the back of the carton box and dispose of all packaging items into the correct bins.
